This book is dedicated
to every person who
has ever had the
privilege of sharing
the love of a dog.
It is truly one of
life's blessings.

This is a universal
story about a loving
pup.

So sit down in your
favorite chair; sink
down and cuddle up.

This story is so
SPECIAL

As I know you will see.

It is so very simple.

It is how Isaac's love
changed ME!
